REFLECTION QUESTIONS

Respond to the following questions in a 2- to 3-page essay format and submit to your professor for grading.

1. Explain the strategies Lucy implements to restructure the plan, and discuss why they 1) did not go over well, but 2) would have beneficial to the operations of the company.
2. What morals or themes does this movie share with us about how far we might have to be willing to go to earn “that big promotion”? Explain how the metaphor “take a step back to take two steps forward” applies to Lucy’s situation.
3. Respond to character, Ted Mitchell’s, line, “No, robber barons built this country, and they did it from the blood of working folks. Hell, you steal somebody's car, you get thrown in jail, you steal somebody's life savings, you get to be a CEO.” How accurate do you think his assessment is of the current business world? Explain why.
