REFLECTION QUESTIONS

Respond to the following questions in a 2- to 3-page essay format and submit to your professor for grading.

1. Besides having out-dated work experience, what other skills and abilities were Billy and Nick lacking to make them more desirable employee candidates?
2. Define “Googliness,” and discuss why it is so important to a company like Google.
3. *The Internship*, much like our business class, is all about teamwork and succeeding as a group. Reflecting on both, what would you say are the three most essential traits of the best-functioning work groups or peer teams?
